

## ATTENTION:

TROOP LEADERS, WE NEED YOU!!

MARK YOUR CALENDARS FOR OUR FIRST ANNUAL

# BEAVER DAY!

SATURDAY, APRIL 25TH, 2009  
AT CAMP SIMPSON

The Council Camping Committee is hosting the First Annual Beaver Day! This workday will help us prepare for the summer activities. Among the work to be done is cleaning campsites, program areas, cutting of dead trees, minor construction, and electrical work.

In preparing to celebrate 75 years of Camp Simpson, the Camping Committee is asking for help from all Boy Scout Troops in the Council. Please consider coming out and setting up the campsite you will be camping in during Summer Camp. Many other projects will also be planned, so please bring tools and equipment. Call if you have specific questions about the project.

Troops are welcome to camp Friday and/or Saturday night, and they will need to provide their own food for every meal except Saturday lunch. Work will begin at 9:00 A.M. on Saturday and conclude around 5:00 P.M. The Camping Committee will provide an excellent meal for lunch.

The Camping Committee sincerely asks for your help and attendance at this very important Beaver Day Weekend.

Please call us at 580-223-0831 or e-mail us at: [kwillis@bsamail.org](mailto:kwillis@bsamail.org)  
to let us know of your attendance plans or if you have questions.
